ORISMA ENERGY CONCEPT LIMITED

- Construction & Engineering
- Wireline And Wellhead Services
- Energy & Procurement Services
- Fabrication
- Pipeline & NDT Services
- Marine & Logistics
- Waste & Environment Consultants

COMPANY PROFILE

OVERVIEW

ORISMA ENERGY CONCEPT LIMITED was incorporated in 2018 under the Companies and Allied Matters Act of 1990 of the Federal Republic of Nigeria. The company is built on a foundation of wide-ranging business initiatives, leveraging the expertise of highly experienced engineers, technicians, and support personnel to deliver Total Quality Service (TQS).

We provide services to multinational and local oil & gas firms, marine logistics, environmental consultancy, and security sectors. Our operations span across various states in Nigeria, and our excellent service delivery has earned us notable recommendations from government agencies, individuals, and organizations.

OUR REACH

We are not limited by borders. ORISMA ENERGY CONCEPT LIMITED is fully equipped to extend its services beyond Nigeria, showcasing our capabilities on a broader international scale.

CORE SERVICES

We are actively involved in:

- Oil & gas operations
- Pipeline and flowline construction
- Procurement and engineering
- Fabrication, installation, and repair
- Marine services and vessel leasing
- Logistics and commissioning
- Rehabilitation and project management
- Security
- Waste management and environmental consultancy

STRONG FINANCIAL MANAGEMENT

Our proven financial strength enables us to deliver cost-effective, world-class services. We pride ourselves on our ability to manage resources efficiently while ensuring client satisfaction and project success.

CORPORATE STATEMENTS

OUR MISSION

At ORISMA ENERGY CONCEPT LIMITED, we pride ourselves in our core values of Professionalism, Excellence and Determination as a guide everything we do. These include, but are not limited to:

OUR VISION

To become the leading and most respected enterprise in the oil and gas sector across Africa.

CORE VALUES

At ORISMA ENERGY CONCEPT LIMITED, our core values guide everything we do. These include, but are not limited to:

1. Safety & Health — We are committed to ensuring the safety and well-being of our employees, clients, and partners.
2. Integrity & Responsibility — We operate with honesty, fairness, and a deep sense of accountability.
3. Passion & Commitment — We bring enthusiasm and dedication to serving our clients, supporting our employees, and achieving our goals.
4. Openness & Respect — We value transparency, inclusiveness, and mutual respect in all interactions.
5. Continuous Improvement — We foster a culture of learning, innovation, and the constant pursuit of excellence.

- Professionalism
- Excellence
- Determination

HSE POLICY

At ORISMA ENERGY CONCEPT LIMITED, we are fully committed to implementing a standardized Health, Safety, and Environmental (HSE) Management System that ensures the well-being of our workers, contractors, clients, and stakeholders.

Our "Health is Wealth" policy is designed to protect all those involved in and impacted by our operations. We understand that the path to excellence in HSE is continuous. Therefore, we consistently seek new opportunities, set ambitious targets, and refine our strategies to drive ongoing improvement in our HSE performance.
This commitment is actively deployed and strictly implemented across all levels of our organization.

QUALITY POLICY

ORISMA ENERGY CONCEPT LIMITED is dedicated to delivering top-tier services to our esteemed clients in the following sectors:

- Engineering
- Construction and Fabrication
- Installation and Repair
- Marine Services and Logistics
- Commissioning and Rehabilitation
- Project Management
- Security Services
- Waste and Environmental Consultancy

Our Quality Management System (QMS) is embedded both at the corporate and departmental levels, ensuring that the delivery of services meets internationally recognized standards. Every team member is responsible for maintaining and improving the effectiveness of the QMS through continual review and enhancement.

We aim to consistently exceed client expectations through the implementation of best practices and compliance with quality requirements.

Our People, Our Environment, Our Responsibility.

We are a team of highly experienced, creative, and innovative professionals united by a shared vision: to build a world-class organization that capitalizes on the abundant and untapped opportunities in the Nigerian economy.

With a strong focus on marine engineering, logistics, consultancy, security, waste, and environmental management services, we are committed to:

- Empowering our people
- Protecting the environment
- Delivering sustainable, value-driven solutions to our clients

SCOPE OF SERVICES

At ORISMA ENERGY CONCEPT LIMITED, we deliver comprehensive, client-focused solutions across the oil and gas, marine, logistics, and engineering industries. Our services include but are not limited to the following:

CONSTRUCTION & ENGINEERING

We have executed some of the most challenging and technically complex construction and engineering projects in the Rivers state and beyond. We have expanded our operations in both structural and construction projects.

MARINE & LOGISTICS SERVICES

We provide reliable marine support services, including:
- Barge and tugboat operations
- Vessel leasing and management
- Transport of goods, equipment, vehicles, and personnel

These services facilitate movement between operational support bases and plant complexes, ensuring seamless logistics and offshore support.

WIRELINE AND WELLHEAD SERVICES.

Our wireline services involve the use of cables or data lines to perform various maintenance, logging, and communication functions in oilfield operations.
Our wellhead services ensure a secure, pressure-containing interface for drilling and production equipment, essential for efficient and safe oilfield development.

PIPELINE & NDT SERVICES

We carry out comprehensive pipeline maintenance, including:
- Pipeline cleaning programs to remove debris and ensure flow integrity
- Non-Destructive Testing (NDT) to assess the condition of materials, components, or structures

without impairing their future usability

These services enhance pipeline longevity and operational safety.

FABRICATION SERVICES

We provide a wide array of welding and fabrication services—from simple components to complex structural installations. Our experienced workforce is equipped to meet client specifications with precision and efficiency, ensuring timely project delivery.

PROCUREMENT SERVICES

Our procurement solutions involve the strategic sourcing and acquisition of goods and services from external vendors to meet organizational and project-specific needs. We ensure quality, timely delivery, and cost-effectiveness across all procurement activities.

WASTE AND ENVIRONMENTAL MANAGEMENT CONSULTANCY

At ORISMA ENERGY CONCEPT LIMITED, we offer a comprehensive range of professional services in the waste and environmental management sector. Our expertise spans various environmental projects designed to promote sustainability, regulatory compliance, and environmental protection.

We are committed to helping organizations achieve their environmental goals through innovative and cost-effective strategies.

OTHER SERVICES

In addition to our core offerings, ORISMA ENERGY CONCEPT LIMITED provides specialized Information Technology (IT) services to support modern business operations. Our IT solutions are designed to enhance efficiency, connectivity, and security across various sectors.

These services are tailored to meet client-specific requirements while ensuring reliability, performance, and security.

CONCLUSION

At ORISMA ENERGY CONCEPT LIMITED, our unwavering commitment to excellence, innovation, and integrity drives everything we do. With a solid foundation built on expertise, professionalism, and a forward-thinking approach, we remain dedicated to delivering value-driven solutions that meet the evolving needs of our clients in the oil and gas, marine, engineering, logistics, and environmental sectors.

Our track record of success, coupled with a strong team and a passion for continuous improvement, positions us as a trusted partner in advancing local content, enhancing operational efficiency, and promoting sustainable development.

As we look to the future, we are poised to expand our impact, deepen our client relationships, and contribute meaningfully to the growth of the Nigerian and African economies.
